2. Lucy Carter House

Details:

My house is available to rent for \$300 a night with a 3 night minimum for the J 105's North Americans. It is in Eastport and less than a mile away from the club. It has 3 bedrooms, two bath rooms, a pull out couch in the living room and sleeps eight people total. The two first floor bedrooms have double beds and cable TV available in the bedrooms. The upstairs bedroom nook has a single bed with a trundle and the living room holds a queen pull out sofa and also has cable TV. There is a large deck off the back with a large back yard and the house comes with wireless internet.
