The Driver is:

A member of my immediate family or the immediate family of another Owner of my boat  
(Relationship: \_\_\_\_\_ of Owner's name: \_\_\_\_\_ )

A long-term shipmate and friend of an Owner. The term "long term shipmate" of an Owner means an individual who (i) during the immediately preceding 12 months, sailed with the Owner on at least 6 race days (whether or not on a J/105), and (ii) during the immediately preceding 24 months, sailed with the Owner on at least 18 race days and in 50% of all sailboat races in which the Owner competed (other than races sailed in dinghies)

You can find the ISAF Classification Code at <http://www.sailing.org/classification/classificationcode.asp>. Roughly, Group 1 is an amateur competitor, Group 2 is a marine industry competitor, and Group 3 is a professional competitor. Under our class rules, if a person is sailing industry related, he is deemed a Group 3 unless he or she has obtained a classification from ISAF, which can be done on-line in a few minutes (at least if you're not working in the sailing industry). See <http://www.sailing.org/isafsailor/register.asp>. You can check a sailor's classification code at <http://www.sailing.org/classification/sailorsearch.asp>.

I certify that I am the Owner or one of several Owners of the J105 described above and that the information provided herein is true and correct to the best of my knowledge.
